THE ATTACHED DOCUMENT CAME DOWN THROUGH MY MOTHER (GLADYS FAULK BRASHER WADDELL), WHO DIED IN MONROE, LOUISIANA, IN APRIL 1995. THE DOCUMENT IS NOTED TO HAVE COME FROM HER "AUNT JOSIE", WHO WAS THE WIFE OF CLARENCE E (BUD) FAULK. HE WAS THE CHIEF EXECUTIVE OFFICER OF DELTA AIR LINES IN ITS EARLY YEARS.

I KNOW NOTHING FUTHER ABOUT THE DOCUMENT. IT APPEARS TO BE THE DIARY OF A TRIP FROM GEORGIA, ACROSS ALABAMA AND MISSISSIPPI, INTO LOUISIANA, IN 1812. THE JOURNEY ENDS AT "AUCHITA" OR "WASHITA", WHICH IS THE OUACHITA RIVER, OR OUACHITA PARISH (COUNTY), PROBABLY NEAR MONROE, WHERE THE FAULK FAMILY LIVED.

YOU ARE WELCOME TO USE THIS DOCUMENT IN ANY WAY.

Faulk

Jesse Faulk was born circa 1785 in North Carolina and died in March of 1856 in Marion County, Mississippi, and reportedly buried near an old grist mill on Pushpatappa Creek near Dexter. He married January 9, 1809, to Lucy Nance, born circa 1793 in North Carolina.

Faulk first appears in the Marion County records as a Justice of the Peace. He is listed on the 1825 Marion County Tax list and is listed in the 1830 Federal Census for Marion County with two sons and seven daughters.

Jesse and Lucy probably married in North Carolina and the first four children were born there. According to one source, the Faulks were "found as pillars in the Pleasant Valley Church, on the old Columbia Road 8 miles" east of Angie, Washington Parish, Louisiana. Be as it may, as a widow Lucy joined the State Line Church by letter in April of 1857, joining with her daughter Dorothy Faulk Vince, Sarah Ann Faulk Morris, and Sophronia Faulk Stogner, all three of whom were already members there. She was later found as a member of New Zion in Pike County, Mississippi, by 1866.

The widow, Lucy Nance Faulk, lived in 1860 with her son Daniel (although she is listed as head of the household) and a Mary Temples, 18 years of age. Lucy had real estate valued at \$1000 and a Personal Estate of \$4000. She owned seven slaves in two cabins, probably two families, including one 80-year-old man.

Eleven children were reported born to Jesse and Lucy although by 1856 when Jesse died, only eight are mentioned in the Will.

I. Dorothy Nance H. Faulk was born circa 1811 in North Carolina and died March 24, 1897, probably Marion County, Mississippi, and buried in the Vince-Tynes Cemetery. Called Dollie, she was recorded in the 1880 Federal Census for Marion County as 76 years of age, living with son James M. Vince and "nephew" William Pigott, who, based on his age, was in all likelihood her grandson, William Isaac Pigott (1862-1949). See page 89. Dorothy Faulk Vince states both parents were born in North Carolina.

Dorothy married Joseph Vince, born 1808 in South Carolina and died in 1855. He too is buried in the Vince-Tynes Cemetery.

Two of Dorothy and Joseph's daughters and a niece would marry sons of Thomas Pigott (1804-1866) and Martha Charlotte Fortenberry Pigott (180-1846); to wit, Lucy Elizabeth Morris (1837-1915) marries John Pigott (1831-1891), Sarah Ann E. Vince (1835-1884) marries Isaac Nathaniel Pigott (1832-1866), and Adeline Vince (1847-1923) marries William Pigott (1838-1896). See pages 41, 86, 90 facing, 96.

Children of Dorothy Faulk Vince and Joseph Vince are listed on page 149.

II. Sarah Ann Faulk was born in 1814 in North Carolina and died . She married December 24, 1835, in Marion County, Mississippi, to Alfred Morris, born December 17, 1806, in Robeson County, North Carolina, and died January 18, 1890.

III. William R. H. Faulk was born circa 1820 in North Carolina and died . He married February 1, 1838, in Marion County, Mississippi, to Susan P. Warren, born circa 1823 in Florida. William reported a personal estate of \$4300 in the 1850 Federal Census of Washington Parish, Louisiana. In the 1860 enumeration, William and Susan have no children and William reports a personal estate of \$12,000, and real estate valued at \$1000. Living next door to him at this time are his niece and her husband, Sarah Vince Pigott and Isaac Nathaniel Pigott.

During the War Between the States, William purchased Confederate bonds on two occasions at \$200 apiece. In 1867 he served as an administrator of the Estate of David Summers of Washington Parish, Louisiana.

IV. Ann Eliza Faulk was born circa 1819 in North Carolina and died . She married January 31, 1838, to Henry Lewis, son of Martin Lewis (1795-1851) and his wife Nancy. Henry was born circa 1815 in North Carolina.

In 1850 Ann Eliza and Henry reside in Pike County, Mississippi. Henry is a planter with a personal estate of \$2500 and real estate of \$15,000.

Mississippi. Henry is a planter with a personal estate of \$2500 and real estate of \$15,000.

VI. Mary Jane Rebecca Faulk was born circa 1824 in Marion County, Mississippi, and died November 2, 1890. She married April 22, 1841, in Marion County, Mississippi, to John W. Fortenberry, son of Isaac Fortenberry (ca 1760-70-1848) and Bethany Cordelia Magee Fortenberry (ca 1780-90-1846).

10. Lucy Fortenberry (?) married Elisha Magee, son of John called Jackey. She was Elisha's second wife and by her marriage to him became her brother Irvin's mother-in-law.

VII. Daniel H. N. Faulk was born circa 1826 in Marion County, Mississippi. At the time the 1860 Federal Census for Marion was taken, Dan was single, farming, and living with his mother, Lucy Nance Faulk. No research on him has been done after the 1860 date.

VIII. Adarine Mary L. N. Faulk was born February 7, 1828, in Marion County, Mississippi, and died January 4, 1888. She married first in 1848 to Alfred Fortenberry (1823-1861), son of William Fortenberry (ca 1776-1842) and Violette Kennington Fortenberry (1786-1858). Adarine married secondly to a Mr. Davis.

Dear Mr and Mrs Strickland:

Somewhere I read you were an expert on Santa Rosa Co. Jewish Warren Weeks at the courthouse had told me so when we were in Milton two years ago.

I am related to the Faulks who live north of Milton. John Allen Faulk is my main contact as he has a Bible which states Levin Faulk and his wife Mary McTellan Faulk are buried in Old McTellan Cemetery.

It appears a number of Faulks in this line are also ~~or~~ were also members of the Mormon Church at Cold Creek.

The Faulks southeast of Milton are of a different line although it appears they meet in Columbus Co. N.C. I think Thomas Faulk is the progenitor of this line and he may have married a Strickland.

I am an amateur genealogist with several broken bones in my left foot and can't get up to the desk very easily so my writing isn't up to par. I enclose a stamp and an address sticker and would be very pleased to hear from you. I will gladly share any information of interest to you that I have.

FAULK 12

I'm particularly interested to know if you know of any Strickland-Faulk relationships, if you know where Old Mt Leland cemetery is and finally if or where I can find out about the ~~Mormons~~ Faulks who were Moramons in Caldwellwater Creek Church.

Sincerely,
Charles B Schweizer

Dear Mr and Mrs Strickland:

Thank you very much for responding to my letter. I found it very interesting that you now live in Moss Point. My wife and I were there in February checking Faulks who are directly related to me.

I know about Jesse Faulk and Lucy Nance as well as Richard Vince (I understood his name was Joseph) and Flora Strickland whose son Joseph married Dorothy Nance Holmes Faulk. I have issued a family history on Richard Faulk and his wife Sarah which I exchange for \$6.00. This is cost of reproduction and mailing and is "cost recovery" rather than money making if you are interested. A person who knows a lot about all this group is Mrs Ada Lee O'Quin, 601 Cleveland Ave, Tyler, Texas, Miss 39667.

One of Jesse's sons, Daniel Holmes Nance Faulk b 1826 Marion Co., Miss. seems to have disappeared. Do you know anything about him?

My home is Vicksburg, Miss. and I

ended up here when I retired. Not quite
so hot as the Gulf Coast and near our
children. If you ever come to St Louis Mo
please include time for a visit as we
live 25 miles to the northeast.

I thank you for suggesting the Mormons.
I have made extensive use of their records
and have many more than they have. I
expect to send them copies of my labors.
All in all I have data on about 12,000 Faulk
descendants all over the country. So if you
learn anything about them or want to
know anything I know please write me.

J. M. Williamson, 4606 Kling Dr. Alexandria
Va. 22312 has published 4 books on Col. C. N. C. Deeds
which lists many Stricklands.

Mrs Edna Strickland Young, 1151 Clearmont St.
Sebastian, Fla. 32958 is an avid Strickland
genealogist. A Strickland girl was "taken in" by
a Faulk and Edna's father was the result, just
so you know. Edna is a great girl and you
may pick up something new.

Have a good time on the Coast.

Cheers,
Charles Schweitzer
